III

(a) No building, garage, patio, outbuilding, fence or other structure shall be constructed, erected, altered, remodeled, placed, maintained or be permitted to remain on said Tract or any portion thereof unless and until three complete sets of plans and specifications therefor, including finished grading plans, plot plan showing location of such structure on the building site, floor and roof plan, exterior elevations, sections and salient exterior details and color scheme, including the type and location of hedges, walls and fences, shall have been submitted to and approved in writing by any two (2) members of the "Architectural Committee", which shall be composed of three (3) members, selected as hereinafter set forth.

(b) So long as said Trust Indenture in favor of Los Angeles Turf Club, Inc., as beneficiary, constitutes an encumbrance against any of the property described therein, the Architectural Committee shall be selected in the following manner:

Los Angeles Turf Club, Inc. shall select one (1) member and Lake Arrowhead Development Co. shall select one (1) member of said Committee and the two members so selected shall select the third member. Such third member may be removed at the written direction of either Los Angeles Turf Club, Inc. or Lake Arrowhead Development Co. in the absolute discretion of either of them and with or without cause, and the selection of a new third member to fill the vacancy created by the removal or resignation of the previous third member shall be by mutual agreement of Los Angeles Turf Club, Inc., and Lake Arrowhead Development Co. Each of said corporations shall appoint a replacement of its representative on said committee caused by such member's death, disability or removal. The Architectural Committee shall be initially composed of the following three members:

Rowland H. Crawford, as representative of Los Angeles Turf Club, Inc.

Audrey MacKay, as representative of Lake Arrowhead Development Co.

Richard Dorman, as the joint selection of both said corporations.

When said Trust Indenture no longer constitutes an encumbrance on any of the property described therein all members of said committee shall be selected and appointed by Lake Arrowhead Development Co., or its successor in interest.

(c) Said plans and specifications shall be delivered to the offices of Lake Arrowhead Development Co. at Lake Arrowhead, California, or at such other place as shall be designated by Declarant or Lake Arrowhead Development Co., together with a checking fee in the sum of \$50.00.

(d) Said Architectural Committee shall have the power and authority to approve or disapprove the plans and specifications, and approval of said plans, specifications and plot plan may

be withheld not only because of noncompliance with any of the specific covenants, conditions and restrictions contained in this Declaration, but also by reason of the reasonable dissatisfaction of the Committee with the grading plan, location of the structure on the lot or building site, the finished ground elevation, the color scheme, finish, design, proportions, architecture, shape, height and style of the proposed structure or altered structures, the materials used therein, the kind, pitch or type of roof proposed to be placed thereon, or because of its reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Committee, will render the proposed structure inharmonious or out of keeping with the general plan of improvement of said Tract or the Arrowhead Property or with the structures erected on other building sites in the said tract. Said Architectural Committee may, if it so desires, adopt rules governing its procedure.

(e) The approval of the Committee of any plans or specifications submitted for approval as herein specified for use on any building site shall not be deemed a waiver by the Committee of its right to object to any of the features or elements embodied in such plans and specifications, if or when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided for use on other building sites.

(f) If the Committee fails to approve or disapprove such plans and specifications and plot plan within thirty (30) days after said plans, specifications and plot plan have been submitted to it, and payment of the fee provided for in subparagraph (c) hereof, it shall be presumed that the Committee has approved said plans, specifications and plot plan as submitted. If, after such plans and specifications and plot plan have been approved, the building, fence, wall or other structure shall be altered, erected or maintained upon the lot or building site otherwise than as approved by the Committee, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of the Committee having been obtained as required by this Declaration.

(g) For the purpose of making a search upon or guaranteeing or insuring title to any lien on and/or interest in any lot or parcel or building site of said Tract, and for the purpose of protecting purchasers and encumbrancers for value and in good

faith as against the performance or nonperformance of any of the acts in this Declaration authorized or permitted to be approved by the Architectural Committee, said Committee may issue a certificate showing that the plans and specifications and plot plan for the improvement or other matters herein provided for, have been approved, and that said improvements have been made in accordance therewith, which shall be prima facie evidence and shall fully justify and protect any title company or persons certifying, guaranteeing or insuring said title or any loan thereon and/or any interest therein, and shall also fully protect any purchaser or encumbrancer in good faith for value in acting thereon as to all matters within the jurisdiction of the Committee.

(h) The powers and duties of the Architectural Committee shall cease after 2010, unless prior to said date and effective thereon a written instrument shall be executed by the record owners of a majority of the lots in said Tract and duly recorded, appointing a representative or representatives who shall thereafter exercise the same powers and authorities previously exercised by the Architectural Committee, and providing the procedure for appointing his or their successors.

IV

(a) No building, structure or improvement shall be constructed, erected, altered, placed or permitted to remain on any of said lots or any building site on said Tract other than one single family dwelling designed for occupation for not more than one family together, with appurtenant outbuildings provided, however, that if and while two or more of said lots in said Tract or portions thereof having a combined area equal to or greater than the original area of either of said lots which are contiguous are held in the same ownership and only one main residence is located on said combined area, the other lot or lots or portions thereof may be used for private outbuildings and grounds appurtenant to such main residence.

(b) Outbuildings or garages erected and maintained upon any lot or building site shall conform generally in architectural design and exterior material to the finish of the dwelling houses to which they are appurtenant, and may be, but need not be, attached to said dwelling.

(c) There shall not be erected or maintained on Lots 238 to 251, inclusive, Lots 319 to 336, inclusive, and Lots 344 to 389, inclusive, any residence which shall have a living area of less than 1,000 square feet, exclusive of car ports, garages and covered porches.

There shall not be erected or maintained on Lots 1 to 21, inclusive, 36 to 63, inclusive, 72 to 90, inclusive, 133 to 176, inclusive, 233 to 237, inclusive, 252 to 293, inclusive, 307 to 318, inclusive, and 337 to 343, inclusive, any residence which shall have a living area of less than 1,200 square feet, exclusive of car ports, garages and covered porches.

There shall not be erected or maintained on Lots 22 to 35, inclusive, 64 to 71, inclusive, 91 to 132, inclusive, 177 to 232, inclusive, and 294 to 306, inclusive, any residence which shall have a living area of less than 1,400 square feet, exclusive of car ports, garages and covered porches.

(d) No shed, tent, garage, trailer or other outbuilding shall at any time be used as a residence temporarily or permanently, upon any part of said property.

(e) No person, except Lake Arrowhead Development Co., or its successors in interest, shall erect or maintain upon any part of said property or any lot or building site, any sign, advertisement, billboard, or other advertising structure of any kind.

(f) No fence, wall or hedge shall be planted, erected, located or maintained upon any lot in such location or at such height as to unreasonably obstruct the view from any other lot or lots in said Tract and provided further that no fence, wall or hedge whatsoever shall be planted, erected, located or maintained between any residence and the golf course, on any lot which is located adjacent to and contiguous with the Golf Course property. The Architectural Committee shall have the power and authority to modify the conditions and restrictions contained in this subdivision (f) of Paragraph IV as to any lot in said Tract, if said Architectural Committee, in its absolute discretion, deems it necessary or advisable to do so.

(g) No building, or any part thereof, shall be placed, erected or maintained on any lot within fifteen (15) feet of the front property line.

(h) A side yard shall be maintained on each lot of at least ten (10) feet in depth from all side property lines to the building line of any structure, with a minimum clearance of 7½ feet from eaves or other projections to the side property line.

(i) An attached garage, a detached garage, or other auxiliary buildings or structures, not maintained or used for human habitation, shall be located to provide a minimum 7½ foot clearance from the side property line of each lot to eaves or other projections, when the auxiliary building or structure is a minimum of 20 feet to the rear of the front wall of the residence nearest the street, if attached, or 40 feet to the rear of the front wall of the residence nearest the street, if detached.

(j) A rear yard shall be maintained on each lot of at least 25 feet from the property line to the nearest structural projection.

(k) Notwithstanding anything to the contrary herein contained, no building, or any part thereof, shall be placed, erected or maintained any closer to the front, rear or side property line than as shown on the recorded subdivision map of said Tract.

(l) If due to the shape or topography thereof, the owner of any lot should desire to install thereon any building, structure or improvement so close to any boundary line of such lot that it would violate the set-back provisions contained in paragraph IV hereof, he may present a plat of the proposed location thereof and the full plans and specifications therefor to said Architectural Committee, together with such contour map as may be required by such Committee. If said Committee should in its discretion determine that the desired location is of prime importance to the convenient and beneficial use of such lot and that, in the light of the other circumstances, including the proposed plan, such building, structure or improvement so located will not be unduly detrimental to said Tract in general or to adjoining properties in particular or to any other portion of the Arrowhead Property and if such Committee should approve in writing the proposed location thereof and the plans and specifications therefor, then and in such events, the erection and maintenance of such building, structure or improvement on such approved location and in accordance with such approved plans and specifications may be effected notwithstanding the limitations expressed in paragraph IV hereof. Provided, further, that such approval by the Architectural Committee shall not relieve the owner from obtaining the consent and approval, when necessary, of the appropriate department or commission of the County of San Bernardino.

No horses, cattle, cows, sheep, rabbits, pigs or other animals, fowls or poultry, shall be kept, raised or permitted on said Tract or any part thereof, except that domestic cats, dogs and birds may be kept as household pets upon said Tract, provided, that they are not kept, bred or raised thereon for commercial purposes or in unreasonable quantities.

VI

Declarant hereby reserves and withholds from any grant or conveyance hereafter made of said Tract, or any part thereof, all of the trees, and all of the roots, branches and parts thereof, growing on or that may hereafter grow, stand or be upon said Tract, together with each and every right of way, easement and servitude which is necessary for the maintenance, care, growth, removal and development of each and every tree, whether the same be standing or fallen, alive or dead; together with the right to remove any of said trees whenever, in the opinion of said Declarant, its successors or assigns, the removal of any tree, or trees, is necessary for the improvement of the landscape, for the protection or reasonable use of improvements and/or buildings on any of said Tract, and/or for the location or construction of buildings or improvements on any of said lots.

Declarant reserves and further declares that upon the conveyance of any lot in said Tract, there is reserved the following:

(a) An easement for the construction, maintenance and operation of sewer mains, laterals, manholes, sumps and appurtenant equipment over and across those portions of the lots shown on Tract 6489 as public utility easements and those portions of said lots referred to as public utility easements on the Owner's Certificate shown on said map. And any conveyance by the Declarant shall except such easements so reserved from any grant or conveyance hereafter made of said Tract. Each of the rights, easements and servitudes reserved hereunder (except as herein otherwise stipulated) shall at all times be and remain a continuing right, easement, and servitude which may be exercised, used, availed of and/or assigned, at any time and from time to time, and the exercise, use and/or assignment of any

such right, easement and/or servitude shall never affect or impair the power of the declarant grantor, its successors or assigns to again exercise, use and/or assign each and every of said rights, easements and servitudes at any subsequent time.

VII

The owner of each lot of said Tract shall keep such lot free and clear of all weeds and rubbish and do all other things necessary or desirable to keep the premises neat and in good order, and it is hereby agreed that in the event of the default in the performance of this covenant, the Declarant, its successors or assigns, hereby reserves the right to enter upon the property of such owner and remove all weeds and rubbish and do all other things necessary to place said property in a neat and orderly condition in accordance with this covenant, and the expense thereof shall become due and payable from such owner to the Declarant, its successors or assigns, within five (5) days after written demand therefor.

Declarant asserts that any grant or conveyance of any lot in said Tract 6489, or any part thereof, shall be made upon the following covenants to be observed and accepted by the grantees, which shall also be conditions subsequent:

Such grantees shall not, and shall not permit any person to remove, destroy, or materially change the shape of any of the trees growing on said Tract without the prior consent of grantor, or its successors and assigns, or the Architectural Committee acting in its assigned capacity.

Such grantees will do whatever is necessary for the maintenance, care, growth and development of each and every such tree and will for such purpose expend such funds and engage such expert personnel as may be reasonably necessary adequately to maintain and care for such trees, and pay all taxes, assessments, and charges levied against such trees.

Such grantees shall pay the cost and expense for the removal of any tree or trees, and indemnify and hold Declarant harmless therefor.

Said Tract shall not, nor shall any part thereof, nor any lot or building site therein, be used for the purpose of mining, quarrying, drilling, exploring for, taking or producing therefrom, water, oil, gas or other hydrocarbon substances, minerals or ores of any kind.

IX

No noxious or offensive activity shall be carried on upon said Tract or any part thereof, nor shall anything be done or maintained thereon which may be or become an annoyance or nuisance to the neighborhood.

X

Said Tract and the lots and building sites included therein are subject to such easements and rights of way as may be necessary or convenient for erecting, constructing, maintaining and operating public service wires and conduits for lighting, heating, power, telephone and other methods of conducting and performing any public or quasi public utility service or function as such easements and rights of way are shown and designated on the map of said real property recorded in the Office of the County Recorder of San Bernardino County, California, and all of said easements and rights of way are reserved for the purposes herein and in said map set forth.

XI

(a) The covenants, conditions and restrictions herein contained shall run with said land and shall be binding and in force and effect until December 31, 2010, for the mutual benefit of all the lots and building sites in said Tract and of all the lots and building sites now in existence or hereafter created in the Arrowhead Property with each other, both as to servient and dominant tenements as against all other lots in said Tract.

(b) At any time prior to December 31, 2010, the owners of record of lots or building sites in said Tract subject to this Declaration, having an aggregate area equivalent to not less than 55% of the total area of all of said property, may extend the term during which said covenants, conditions and restrictions

shall bind and effect said Tract to December 31, 2025, by executing and acknowledging an instrument in writing to that effect which shall be duly recorded with the County Recorder of San Bernardino County, California.

(c) The easements and reservations herein contained shall be perpetual unless released by the declarant grantor and/or those persons or corporations to whom such rights have been assigned and conveyed as herein provided.

XII

(a) Upon any breach or violation of any of the conditions, covenants, restrictions or reservations herein contained, the premises directly affected by such breach or violation shall forthwith revert to Declarant, or its successors in interest in the ownership of the reversionary rights herein, who shall have the right of immediate re-entry and possession; provided, that a breach of any of the said covenants, conditions, restrictions or reservations and/or any reversion of title as herein provided shall not defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value as to said premises or any part thereof, but all said covenants, conditions, restrictions and reservations shall be binding upon and effective against any subsequent owner of said premises.

(b) The violation or breach of any of the covenants, conditions, restrictions or reservations herein contained shall give the Declarant and/or Lake Arrowhead Development Co. and/or the Architectural Committee and/or any owner or owners of lots or building sites in said Tract or in any other portion of the Arrowhead Property and/or, until the release of said Trust Indenture as to all property described therein, Los Angeles Turf Club, Inc. and any other holder or holders of said promissory note, the right to prosecute a proceeding at law or in equity against the person or persons who have violated or are attempting to violate any of the covenants, conditions, restrictions and reservations, to prevent or enjoin them from so doing, to cause said violation to be remedied, or to recover damages for said violation.

(c) The result of every act or omission whereby any covenant, condition, restriction or reservation herein contained is violated, in whole or in part, is hereby declared to be and shall

constitute a nuisance and every remedy allowed by law or in equity against an owner shall be applicable against every such result and may be exercised by Declarant, Lake Arrowhead Development Co., the Architectural Committee, or the owner or owners of any lot, building site or portion of said Tract or of any other portion of the Arrowhead Property or, until the release of said Trust Indenture as to all property described therein, Los Angeles Turf Club, Inc. and any other holder or holders of said promissory note.

(d) In any legal or equitable proceeding for the enforcement or to restrain the violation of any provision of this Declaration, the prevailing party shall be entitled to recover such reasonable attorneys' fees as the court shall award from the unsuccessful party or parties.

(e) The remedies contained and set forth in this Article XII shall be cumulative and not exclusive.

XIII

The owners of record of lots or building sites in said Tract having an aggregate area equivalent to not less than 55% of the total area of all of said property may, at any time, with the written consent and approval of Los Angeles Turf Club, Inc., or its successor in interest, so long as the said Trust Indenture constitutes an encumbrance against any property described therein, modify, amend, cancel or annul, with respect to all of said Tract, all or any of the covenants, conditions and restrictions contained in this Declaration and any supplement or amendment thereto, by instrument in writing signed by said owners and acknowledged by them so as to entitle it to be recorded in the office of the County Recorder of San Bernardino County, California.

XIV

Any and all of the rights, powers and reservations of Declarant and/or Lake Arrowhead Development Co. and/or the Architectural Committee, herein contained, may be assigned to any other corporation or association which will assume the duties of Declarant and/or Lake Arrowhead Development Co. and/or the Architectural Committee pertaining to the particular rights,

powers and reservations assigned, and upon any such corporation or association evidencing its consent in writing to accept such assignment and assume such duties, it shall, to the extent of such assignment, have the same rights and powers and be subject to the same obligations and duties as are given to and assumed by Declarant and/or Lake Arrowhead Development Co. and/or the Architectural Committee herein.

XV

The provisions contained in this Declaration shall bind and inure to the benefit of and be enforceable by Declarant, Lake Arrowhead Development Co., the Architectural Committee, and the owner or owners of any portion of said Tract, or any other portion of the Arrowhead Property or their and each of their legal representatives, heirs, successors and assigns, and, until the release of said Trust Indenture as to all property described therein, Los Angeles Turf Club, Inc. and any other holder or holders of said promissory note.
